

October 2010

THE NEW ACADEMIC YEAR has had an encouraging start.

We praise God that students are settling in, interacting well with each other and busily working on first assignments.

Because of the increased numbers it has been very helpful to have the addition of the new library annexe to the Baptist Centre.

This provides a new purpose-built library allowing display of the full complement of books. In addition a study area gives 30 study places, a threefold increase on what was previously available. The old library area has been refurbished into an essential fifth classroom and some extra office space. Outside, additional car parking has been made available to cope with the extra number of users at the Centre. If you are in the area do call in to view the new facilities.

NEW UNIVERSITY PARTNERSHIP: The partnership arrangement with the

University of Chester has now been agreed and our programmes have all been validated. Contacts with the University have been good. Our courses will continue to be at all times under the direction of the College Staff and Management Committee.

University of
Chester

PRAISE - that the new library and the other building work was completed in time for the new academic year. That the University Partnership agreement is in place.

PRAY - for Evangelism week starting 17th October. Teams will be working with the Armagh, Grove, Stonepark and Youghal Churches.
