

Evangelism Teams

Five teams of students will be heading off to churches from 17th October for the week working alongside their host churches. The churches are **Carrickfergus, New Cumnock** (Scotland), **Millisle, Omagh** and **Portadown**. Pray for Jonathan Watt, Stephen Cassells, Joel Marcus, Josh Jones and David Holmes who will be leading the teams. Also for the pastors Peter Lawther, Simon Dawson, Andrew Roycroft & Chris Clarke, George Morrow and John Kimber at the churches. Interestingly all the pastors are past graduates of the College.

Commencement Service

We were encouraged by the service which took place on 22 September in Dromore Baptist Church. John Benton (Baptist pastor and editor of

Evangelicals Now) opened up the book of Colossians. He presented 'seven seed thoughts from the life of Epaphras'. His challenge included a call to prayer to all, but especially to the staff to 'teach your students to pray'. His sermon can be heard [here](#). The photograph above shows the thirteen new undergraduates and three of the nine new postgraduate students. Please pray for the new students.
