

September 2009

THANK YOU FOR PRAYING for the September 2009 intake. Seventeen new

full-time students joined our Undergraduate & College programme. In addition there are 2 part-time students.

We have also accepted 23 new Postgraduate students bringing our total to 78.

The photograph shows (most of) the new students during their induction week.

ACCREDITATION we have gone through the final part of the process and are now on the UK Border Agency's list of approved colleges to issue visa letters of invitation.

COMMENCEMENT SERVICE

Hosted by the Carrickfergus Church, on Tuesday 15th September. This was an uplifting service as our new

students were welcomed into the College family.

Pastor Lindsay Allen (Carrickfergus Baptist) speaking from the story of Mary and Martha in Luke 10, passionately reminded the students (and us all) that 'Every worthwhile work for God springs from and is sustained by time spent in the presence of God'.

PRAISE - give thanks for the encouraging intake

PRAY - for the start of the new academic year and the challenges facing students and staff
